

14 Selmar Place... INNES PARK QLD

This rare 1/2 acre homesite has amazing views of the sparkling Pacific Ocean and coastline to both the north and south. Found in the very quiet Turtle Cove Estate, Innes Park North at the southern end of Bargara, this site is surrounded by quality homes all set on above average sized building blocks.

Located just minutes from Bargara shopping centre and eateries including Golf and Bowls clubs, or a short drive to the thriving regional town of Bundaberg. You can swim, snorkel, fish or just relax and admire the abundance of wildlife in the area both in and out of the water right outside the front boundary. Winter is wonderful with whales putting on their annual show, frolicking just out front!

This amazing property could be yours - but act now - this is one of those rare opportunities that should not be missed.

Price : \$ 855,000
Land Size : 2000 sqm
