This existing 70 acre Hydroponic family business has been in operation for over 30 years and currently produces Eggplant and Mini-Cucumbers for established markets in Sydney, Melbourne and Brisbane. It is being sold due to retiring family members.

The property is set up for year round production and currently employs approximately 12 staff. There is however opportunity to diversify the current production into other markets and further expansion into the 16 hectares of farm land for additional Greenhouse structures or field grown crops.

There are five working Greenhouses equalling 13,864 m2 of floor space along with a 15 x 12m packing shed, 20
