

22 Bryde Place... THABEBAN QLD

3  1  3 

This beautifully presented brick home is next to near in the same condition as it was handed to the owners after construction in 1990. The owners have loved and cared for this property and now it is time for someone else to make it home.

The entry of the home is behind the private, semi enclosed front patio and greenery. There are 3 bedrooms with built in robes as well as a utility room off the enclosed outdoor entertainment area. The bathroom consists of a bath and vanity as well as a separate shower and toilet off the laundry room. The kitchen is a great size and offers a walk in pantry, electric cooking which then flows into the dining and large lounge to the front of the home. Double attached car garage with internal access and a drive through roller door at the back of the garage. The back yard is fully fenced with side access to the single bay shed at the rear.

Land Size : 832 sqm
