

24 Explorers Way... BARGARA QLD

3  2  2 

Another great example of a quality family home or solid investment, this lovely property is certainly one to put on the list. All 3 bedrooms are carpeted with large built in robes and ceiling fans and 2 of the 3 bedrooms have split system air conditioning. The modern kitchen is well appointed and sits adjacent the airconditioned open plan living and dining areas. Out front is a handy undercover insulated carport to keep out of the weather as well as a single lock up garage on the western end. There is good vehicle access to the rear yard with insulated rear entertaining area and the entire block is well landscaped with gardens

In the current hot market I expect this home to be sold by the weekend so be quick and call Andy Gatt on 0414559131 to inspect today!!!
