The owners have priced this property to sell quickly and it represents great value for money in today's market with 3 newly carpeted built-in bedrooms all with ceiling fans. The large tiled open plan living area has a split system air conditioner and well-appointed kitchen adjacent to a single lock-up garage. There is rear vehicle access to a single carport at the rear of the property as well as a huge under-roof outdoor entertaining area that could also be used for further vehicle storage. The generous-sized bathroom has a tidy shower/bath as well as a good-sized vanity. The Laundry has exterior access and includes a separate toilet. Other great features include a double-sized garden shed and established gardens. Be the first to be impressed by this beautifully clean property by phoning Andy Gatt on 0414559131.
