Architects blew the doors and the walls off this pre-war style home, retaining the beautiful proportions of its 1950s bones while energizing the space left within. The spacious kitchen was opened to the dining room, maximizing the light and views from the rear covered entertainer's patio, overlooking the landscaped oasis with cascading water feature over the inground pool.

Set on a very comfortable 860sqm and located just a short drive from the Bundaberg CBD, local amenities and high schools, you simply cannot pass on this home!
