With plenty of room for the largest of families or just a great investment this gorgeous highset Queenslander has been lovingly restored with some modern touches. The home is well positioned on the fully fenced 1012m2 block allowing good rear vehicle access via a bitumen driveway to the huge triple bay shed, inground saltwater pool and large under roof entertaining area . You can enter the home by either front or rear staircase with separate under roof decks. On entry you will be amazed at the high clearance ceilings which give the home a spacious feel to the already large bedrooms and living areas. The well appointed timber kitchen has quality stainless steel appliances and plenty of storage and bench space for the chef in the family. Downstairs is also accessible internally via a spiral staircase to the laundry, second bathroom and kitchenette
