

5 Whale Circuit BARGARA QLD

4  2  2 

This lovely property has to be seen to be believed. Set in a private, quiet cul-de-sac position in Bargara Breeze Estate on over 1000m² with manicured grounds - truly a beautiful oasis close to all that Bargara has to offer.

Open yet distinctive living spaces fit together with ease for a thoughtful and flowing floor plan. The combined kitchen, family and dining room is perfectly positioned to promote maximum natural light and enables you to watch the kids play in the fully fenced yard, whilst a separate lounge room provides the ultimate breakaway family space. The home also has a spacious study adjoining the double garage. Thoughtfully designed, the home has another lounge/living space that can be closed off from the main living areas to form its own wing of the home. A perfect situation for dual living purposes. The heart of the home, the kitchen, overlooks the dining area for easy meal service. Stainless
